## RULES AND REGULATIONS

- Given this event is a fundraiser, **no refunds will be made if an exhibitor withdraws, or for inclement weather.** The show will go on, rain or shine.
- Original work produced by the applicant must make up the primary focus of the display. Reproductions/editions, if used, should be only a minor focus (e.g. notecard reproductions of artwork, etc.) All work must be hand-crafted products and made in Canada. Acceptance as an exhibitor to the Show is at the discretion of The USLA Organizing Committee in order to maintain the variety and quality of product offerings.
- New vendors are requested to send pictures of their recent work and booth to aid in the selection process. Include a s.a.s.e. for return of pictures if desired.
- Set-up time is from 7 am to 9:30 am on the morning of the Show. It is not possible to set up the evening before, or store materials, because of other events scheduled at this location. A floor plan will be posted at the entrance to the grounds and at the pavilion entrance to locate your spot. The pavilion will be open by 7 am. Exhibitors agree to keep their display up during show hours of 10 am to 4 pm.
- Parking is limited. Exhibitors may drive to their booth location to **unload only.** Cars can be parked at the designated parking area/field just past the grounds towards Irwin Inn. **The roadway directly around the pavilion has no parking on both sides.** NOTE: this is a fire route for many cottages and commercial resorts, so please do not block or restrict the roadway!
- There is a limited supply of tables for rent for \$10, and these must be ordered on the application form. Sizes include 8' x 2', 4' x 2', 2.5' x 2.5'. If you request an indoor booth and none are available, please indicate if you would accept an outdoor booth and/or wish to be put on a waitlist.
- Outdoor booth spaces are 10' x 10' and exhibitors agree to remain within the confines of the marked spaces. If you would like additional space, please contact the USLA representative. Indoor booth spaces have 8' frontage, but may vary in depth from 4' to 10' depending on location. Pillars form part of the building structure and may be present in some booth spaces (attempts will be made to minimize the impact).
- **Exhibitors are responsible to have a Vendor's Permit (if you wish) and all taxes associated with sales.**
- Receipts for booth space rental, if requested, will be provided on the day of the sale.
- Washroom facilities are available in the pavilion and lunch can be bought at the BBQ. A canopy and sunscreen is recommended for outside booths.
- **Current exhibitors have until January 15, 2019 to respond and reserve a spot. However, a space is only reserved once a cheque has been cleared.** A discount is offered for applications/fees received before April 1st, 2019.
