

2019 Environment Events on Clear, Ston(e)y and White Lakes

Sustainable Cottaging Day

Saturday June 29, 9 am to 3 pm

Juniper Island, Stony Lake

Come kick off the summer at this fun and informative event, featuring displays and experts on water quality and monitoring, invasive species, septic, shorelines and preservation of wildlife habitat -- and much more. Win prizes and meet some special critter friends. Hosted by Environment Council, the Association of Stony Lake Cottagers and the Stony Lake Yacht Club.

Shoreline Naturalization Workshop -- Hosted by Environment Council

Saturday, July 13, 9 am to noon

USLA Pavilion, 2378 Crowe's Landing Road

At this interactive shoreline workshop, Douglas Kennedy of Green Side Up Environmental Landscaping will explain how natural shorelines function to protect water quality, their benefits to waterfront owners and wildlife, and the basics of shoreline naturalization. Then Doug and an associate will coach participants on concept designs and native plants suited to each person's property.

Please register well in advance at info@environmentcouncil.ca and provide full contact info. Visit www.environmentcouncil.ca for details and updates.

Camp Kawartha Shoreline Naturalization Project -- Volunteer Planting Day

Saturday, August 17, 9 am until completion

1010 Birchview Road, Clear Lake, Douro-Dummer Township

Environment Council, Camp Kawartha and a number of generous donors are partnering to naturalize a large section of the Camp's shoreline. This will help protect the lake and wildlife, enhance the Camp's environmental education programs and enable Environment Council to show lake residents the advantages of natural shorelines.

Come and be part of this exciting project. We need at least two dozen energetic volunteers to plant over 1300 native shrubs and wildflowers, under the guidance of our landscaper.

Please register well in advance at info@environmentcouncil.ca and provide full contact info. Visit www.environmentcouncil.ca for details and updates.

Guided Shoreline Tour
Sunday, September 22, 2 to 4 pm
Camp Kawartha, 1010 Birchview Road

Visit the newly restored Camp Kawartha shoreline project area with the environmental landscaper who helped make it happen. See the improvements made, learn how the work was done, and how you can apply these ideas to your own waterfront.

Please register well in advance at info@environmentcouncil.ca and provide full contact info.
